- 6.9 From the proceeds of this sale the Co-operative may:
- (a) deduct the expenses, if any, associated with the sale; and
 - (b) apply the balance to reduce the liability of the Member.
- If a surplus remains after this deduction and application, the surplus is payable to the Member whose Water Entitlements or Delivery Entitlements or both were sold.

- 22.2 A statutory declaration by a Director of the Co-operative stating that a Share in the Co-operative has been forfeited on a date stated in the declaration is conclusive evidence of that fact as against all persons claiming to be entitled to the Share.

- 23.5 The Board may waive the production of any Certificate of Shares upon evidence satisfactory to it of the loss or destruction of such certificates.
- 23.6 The Board may decline to register any transfer of Shares:

 - (e) which would result in breach of **Rule 23.1**.
- 23.7 In the case of a transfer of Shares which is to take place in the course of a sale of the Landholding, the transfer will not take effect unless and until the Co-operative receives a notice of sale executed by both the transferor and transferee together with an application to transfer the Shares duly stamped by the Office of State Revenue (if applicable).
- 23.8 A Member must not transfer a Share to a person of a limited legal capacity. However, the Co-operative will not be bound to enquire as to the age or soundness of mind of any transferee.

must send to the transferee notice of the refusal within 28 days after the date on which the transfer was lodged with the Co-operative.

- 23.10 Upon the registration of a transfer a new Certificate of Shares specifying the Shares transferred or transmitted will be delivered to the transferee or transmitted.
- 23.11 Every instrument of transfer which is registered will be retained by the Co-operative. However, any instrument of transfer which the Board refuses to register (except in the case of fraud) will be returned on demand to the persons depositing the instrument of transfer.

- 26.2 If the bankrupt Member is entitled in equity to the Share the Board may register the Official Trustee in Bankruptcy as the holder of a Share. This requires the consent:
 - (a) of the registered holder of the Share; and
 - (b) the Co-operative.

27 REGISTRATION AS ADMINISTRATOR OF ESTATE OF INCAPABLE MEMBER

- 27.1 A person appointed under a law of a state or territory to administer the estate of a registered holder of a Share in the Co-operative who is incapable of managing their affairs because of mental or physical infirmity may be registered as the holder of that Share as administrator of the estate of the incapable person.

28 ENTITLEMENTS AND LIABILITIES OF PERSON REGISTERED AS TRUSTEE, ADMINISTRATOR, ETC.

- 28.1 A person becoming entitled to a Share, Delivery Entitlement or Water Entitlement by reason of the death, bankruptcy or the incapacity of the holder is entitled to the advantages to which that person would be entitled if he or she were the

registered holder of the Share, Delivery Entitlement or Water Entitlement. However, before being registered as a Member in respect of the Share, Delivery Entitlement or Water Entitlement, the person is not entitled to exercise any right conferred by Membership in relation to meetings of the Co-operative.

- 28.2 A person registered pursuant to **Rules 25, 26 and 27** is, while so registered, subject to the same liabilities in respect of the Share, Delivery Entitlement or Water Entitlement as those to which that person would have been subject if the Share, Delivery Entitlement or Water Entitlement had remained, or had been registered, in the name of the dead person, incapable person or the bankrupt.

- 29.2 The amount paid for a Share when it is repurchased may be an amount that is less than the nominal value of the Share, but only if the books of the Co-operative disclose that the amount paid is the net shareholder's equity per Share in the undertaking of the Co-operative.

- 29.3 The Co-operative must cancel any Share purchased by, or repaid in full by, the Co-operative.

- 29.4 If the Co-operative repurchases all of the Shares of a Member, the Water Supply Rules associated with Membership with that Member is terminated (but this does not prevent the person from offering to enter into a Non-Member Water Entitlement Holder Contract with the Co-operative).

- 29.5 If, in the opinion of the Board, payment of the Repurchase Price would adversely affect the financial position of the Co-operative, the Board may, instead of paying the Repurchase Price to the Member, allot or issue debentures of the Co-operative to the Member to the value of the Repurchase Price.

- 29.6 A debenture issued pursuant to this **Rule** must:

- (a) bear interest during any period as determined in accordance with section 108 of the Co-operatives National Law; and
- (b) be repaid to the Member as soon as repayment would not, in the opinion of the Board, adversely affect the financial position of the Co-operative and in any case, within 10 years.

30 TRANSFER AND TRANSMISSION OF DEBENTURES

- 30.1 The instrument of transfer of any debenture must be executed by or on behalf of the transferor and the transferee. The transferor is deemed to remain the holder of the debenture until the name of the transferee is entered in the register of debentures.

- 30.2 Debentures must be transferred by instrument in writing in any usual or common form which the Board has approved (including the form set out in **SCHEDULE 2**).

- 30.3 The Board may decline to recognise any instrument of transfer unless:

- (a) a fee of \$50 is paid to the Co-operative for the transfer; and
- (b) the instrument of transfer is accompanied by the certificate (if any) of the debentures to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

The Board may also decline to register any transfer of debentures on which the Co-operative has a Lien or charge. - 31.3 Where the Board resolves to call a special general meeting of Members pursuant to **Rule 31.2** the following procedure will apply:
- (a) at least 21 days written notice stating the date, time and place of meeting will be given to any Member whose act is to be considered at the special general meeting and the written notice will also state the nature of the act which, in the Board's opinion, has been done by the Member;
 - (b) at the meeting the Member will be afforded a full opportunity to be heard and will be entitled to call witnesses and to cross-examine witnesses. If the Member fails to attend at the time and place mentioned, without reasonable excuse, the act will be considered and the Co-operative may consider the resolution before it on the evidence before it, in spite of the absence of the Member. Once the act has been considered, the Co-operative may decide to suspend the Member who committed the act; and
 - (c) the Co-operative will not make a decision on the act or on a suspension, except by vote by secret ballot of the Members present and entitled to vote. A motion for that decision will not be deemed to be passed unless two thirds of the Members so present and so entitled vote in favour of the motion.
- 31.4 If the Co-operative suspends a Member under this **Rule**, the Board may determine that some or all of the Membership rights of that Member (including the provision of water pursuant to the Water Supply Contract) are suspended.
- 31.5 The Board will issue a notice to a Member suspended under this **Rule** stating the rights suspended and the period of suspension.

- 37.3 In the case of joint Membership, the joint Members have one vote only between them. That vote may only be exercised (subject to the grant of any proxy or

power of attorney) by the joint Member first appearing in the Register of Members in respect of that joint Membership.

37.4 A Member is not entitled to vote if the Member is not an Active Member.

38 PROXY VOTES

38.1 Voting may be by proxy at a general meeting.

38.2 The instrument appointing a proxy must be in writing under the hand of the appointer or of the appointer's attorney who has been duly authorised in writing.

38.3 An instrument appointing a proxy will be deemed to confer authority to demand or join in the demanding of a poll.

38.4 An instrument appointing a proxy may specify the manner in which the proxy is to vote in respect of a particular resolution and the proxy must vote in this manner.

38.5 No person can act as a proxy unless the person is an Active Member.

38.6 A person (with the exception of the Directors of the Co-operative who may act as proxy for a maximum of 10 Members) must not act as proxy for more than two Members on any one occasion.

38.7 **Rule 38.6** does not apply if the person acts under an instrument of proxy which specifies the manner in which they must vote, pursuant to **Rule 38.4**.

43.1 A person (whether or not a Member) must give notice in writing to the Co-operative within five business days of becoming aware that the person has, or has ceased to have, a Relevant Interest in the right to vote of a Member in the Co-operative.

43.2 For the purposes of this **Rule**, "notice" means a notice which contains the prescribed particulars as set out in regulation 3.21 of the Co-operatives National Regulations 2013 (NSW).

DIVISION 5 - GENERAL MEETINGS

44 ANNUAL GENERAL MEETINGS

44.1 Subject to **Rule 45**, a general meeting of the Co-operative to be known as the "annual general meeting" must be held each year on a date and a time determined by the Board. This date must be within five months after the close of the financial year of the Co-operative.

44.2 All general meetings of the Co-operative other than the annual general meeting are special general meetings.

44.3 If an annual general meeting is not held in accordance with **Rule 44.1**, the Members may requisition such a meeting. This requisition must be in accordance with section 257 of the Co-operatives National Law and **Rule 45**.

45 SPECIAL GENERAL MEETINGS

45.1 The Board may, whenever it thinks fit, call a special general meeting of the Co-operative.

45.2 Subject to section 257 of the Co-operatives National Law, the Board must call a general meeting of the Co-operative on the requisition in writing by such number of Active Members who together are able to cast at least 20% of the total number of votes able to be cast at a meeting of the Co-operative.

- 45.4 A meeting requisitioned by Members in accordance with the Rules must be called and held as soon as practicable and in any case within 63 days after the requisition is served.
- 45.5 Where the Board does not call the meeting 21 days after the requisition is served, the following provisions apply:
 - (a) the requisitioning Members (or any of them representing at least half their aggregate voting rights) may call the meeting in the same manner as nearly as possible as meetings are called by the Board;
 - (b) for that purpose they may request the Co-operative to supply a written statement setting out the names and addresses of the persons entitled when the requisition was served to receive notice of general meetings of the Co-operative;
 - (c) the Board must send the requested statement to the requisitioning Members within seven days after the request for the statement is made;
 - (d) the meeting called by the requisitioning Members must be held not later than 91 days after the requisition is served;

46 GENERAL MEETINGS – METHODS AND NOTICE

- 46.1 The Co-operative may hold a general meeting at two or more venues using any technology that gives the Members as a whole a reasonable opportunity to participate.
- 46.2 If one or more separate meeting venues, including any online platform, are linked to the main place of a general meeting by technology which, by itself or in conjunction with other arrangements:
 - (a) gives the Members in the separate meeting venues a reasonable opportunity to participate in proceedings in the main place; and

 - (d) may be counted toward the quorum for the general meeting.
- 46.3 If the technology used in accordance with **Rule 46.1** encounters a technical difficulty, whether before or during the meeting, which results in a Member not being able to participate in the meeting, the chairperson may:
 - (a) allow the meeting to be held or continue in the main place (and any separate meeting venues in which Members continue to have a reasonable opportunity to participate) and transact business, and no Member may object to the meeting being held or continuing; or

- 46.4 The chairperson of a general meeting:
- (a) has charge of the general conduct of the meeting and of the procedures to be adopted at the meeting;
 - (b) may require the adoption of any procedure which is, in the chairperson's opinion, necessary or desirable for the proper and orderly recording of votes at the general meeting,
- and a decision by the chairperson under this **Rule 46.4** is final.
- 46.5 At least 14 days' notice (not including the day on which the notice is served or deemed to be served, but including the day for which notice is given) must be given of any general meeting in the manner stipulated in **Rule 133**.
- 46.6 Notice must be given to those persons who are, under these Rules, entitled to receive such notices from the Co-operative. However, the non-receipt of the notice by any Member does not invalidate the proceedings at the general meeting.
- 46.7 The notice must:
- (a) specify the place, the day and the hour of the meeting and, if the meeting is to be held in two or more venues, the technology that will be used to facilitate this;
 - (b) include ordinary business as specified in **Rule 47.1**;
 - (c) in the case of special business, state the general nature of that business; and

- 46.9 Where, in relation to a general meeting:

- the Board must insert that business in any notice convening the general meeting.
- 46.10 Except as is provided by this **Rule**, no other person will be entitled to receive notices of general meetings.

47 BUSINESS OF GENERAL MEETINGS

- 47.1 The ordinary business of the annual general meeting is:
- (a) to confirm minutes of the last preceding general meeting (whether annual or special);
 - (b) to receive from the Board, auditors or any officers of the Co-operative reports upon the transactions of the Co-operative during the financial year, including the statement of financial performance, the statement of financial position, and the statement of cash flows at the end of that year; and
 - (c) to announce the results of the postal ballot for the election of Directors and determine the remuneration of Directors.

- 47.3 All business of a general meeting, other than business of the annual general meeting that is by this Rule termed ordinary business, is special business.

48 QUORUM AT GENERAL MEETINGS

- 48.1 An item of business must not be transacted at any general meeting unless a quorum of Members entitled to vote is present during the transaction of that item.
- 48.2 Except where these Rules state otherwise, 20 Active Members present in person, each being entitled to exercise a vote, constitute a quorum. In determining whether a quorum is present:
- (a) each individual attending as a proxy or attorney is to be counted, except that where an Active Member has appointed more than one proxy or attorney, only one is to be counted; and
 - (b) count each Active Member who is to be counted toward the quorum under **Rule 46.2(d)**.
- 48.3 If within half an hour after the appointed time for the meeting a quorum is not present, the meeting:

- 48.4 If at the adjourned meeting a quorum is not present within half an hour after the time appointed for the meeting the Members present constitute a quorum, provided at least 10 Active Members are present.

49 CHAIRPERSON AT GENERAL MEETINGS

- 49.1 The chairperson, if any, of the Board presides as chairperson at every general meeting of the Co-operative.
- 49.2 If there is no chairperson, or if at any meeting he or she is either not present within 15 minutes after the time appointed for holding the meeting or is unwilling to act as chairperson, then the Members present must choose someone from their number to be chairperson (until such time as the chairperson attends and is willing to act).
- 49.3 The chairperson may, with the consent of any meeting at which a quorum is present, adjourn the meeting from time to time and from place to place. The chairperson must adjourn the meeting in this way if directed to do so by the meeting. However, the only business that can be transacted at any adjourned meeting is the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 14 days or more, notice of the adjourned meeting must be given to all the Members in the same manner as notice was (or ought to) have been given of the original meeting. Apart from this it is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting.

50 STANDING ORDERS AT GENERAL MEETINGS

- 50.1 Subject to **Rule 50.2**, the following standing orders must be observed at the Co-operative's meetings:
- (a) the mover of a proposition will not speak for more than 10 minutes. Subsequent speakers will be allowed five minutes, and the mover of the proposition five minutes to reply. The meeting may, however, by simple majority extend in a particular instance the time permitted by this **Rule**;
 - (b) whenever an amendment to an original proposition is proposed no second amendment will be considered until the first amendment is disposed of;
 - (c) if an amendment is carried, the proposition as so amended will displace the original proposition and may itself be amended;

- (e) the mover of every original proposition, but not of an amendment, will have the right to reply. Immediately after this the question will be put from the chairperson. No other Member will speak more than once on the same question, unless permission is given for an explanation or where the attention of the chairperson is called to a point of order;
- (f) propositions and amendments will be submitted in writing if requested by the chairperson;
- (g) any discussion may be closed by a resolution "that the question be now put" being moved, seconded and carried. Such resolution will be put to the meeting without debate;
- (h) any Member, or visitor invited to attend the meeting by the Board, may speak on any issue at a meeting with the permission of the chairperson provided that the permission may be conditional; and
- (i) standing orders may be suspended for any period by ordinary resolution.

50.2 The Members present at a meeting may suspend, amend or add to these orders for the purposes of that particular meeting.

51 ATTENDANCE AND VOTING AT GENERAL MEETINGS

51.1 At any meeting of the Co-operative a Member who has been given notice that the Member's Membership is required to be cancelled under **Rule 14** is not entitled to attend.

51.2 The Board will, 21 days prior to the calling of a general meeting, close the Register of Members for the purposes of establishing voting entitlements and no changes to voting entitlements between that date and the close of the general meeting will be acknowledged without a resolution of the Board to that effect.

51.3 A Member is entitled to vote at a meeting of the Co-operative if:

- (a) that person is an Active Member; and
- (b) the person is otherwise permitted to vote under the Co-operatives National Law or the Rules.

51.4 At any general meeting a resolution put to the vote of the meeting must (as provided in section 256(2) of the Co-operatives National Law) be decided on a show of hands unless:

- (a) a poll is required by the chairperson; or
- (b) a poll is (before or on the declaration of the result of the show of hands) demanded by at least five Members.

51.5 If no poll is demanded a declaration by the chairperson that a resolution has been, on a show of hands:

- (a) carried;
- (b) carried unanimously;
- (c) carried by a particular majority; or
- (d) lost;

and an entry to that effect in the book of the proceedings of the Co-operative is evidence of the fact. No proof is needed of the number or proportion of the votes recorded in favour of, or against, that resolution.

51.6 Every Member (not under the age of 18) and every Representative who is present at a meeting:

- (a) in person; or
- (b) represented by proxy or attorney;

has, subject to **Rule 37.3**, one vote.

However, no Member has a vote, or is entitled or eligible to vote, contrary to the Co-operatives National Law.

- 51.7 Each Membership is entitled to one vote at a general meeting. In the case of a joint Membership the first mentioned Member in the Register of Members is the voting Member.
- 51.8 If a poll is demanded, in accordance with **Rule 51.4**, it will be taken in a manner which the chairperson directs. Unless the meeting is adjourned the result of the poll will be deemed to be the resolution of the meeting at which the poll was demanded.
- 51.9 A poll demanded on the election of a chairperson, or on a question of adjournment, will be taken immediately.
- 51.10 A poll demanded in accordance with **Rule 51.4** may be withdrawn.
- 51.11 In the case of an equality of votes, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place, or at which the poll is demanded, is entitled to a second or casting vote.
- 51.12 All resolutions, except Special Resolutions, are determined by a simple majority.
- 51.13 The Board may determine that at any meeting of Members, a Member who is entitled to attend and vote on a resolution at that meeting is entitled to a direct vote in respect of that resolution. A "direct vote" includes a vote delivered to the Co-operative by post, email or other electronic means approved by the Board. The Board may prescribe regulations, rules and procedures in relation to direct voting, including specifying the form, method and timing of giving a direct vote at a meeting in order for the vote to be valid. Except for the purposes of any Rule that specifies a quorum or any Rule prescribed by the Board, a Member is taken to be present at a meeting if the Member has duly lodged a valid direct vote in relation to the meeting.

52 POSTAL BALLOT

- 52.1 The Board may whenever it considers appropriate submit any matter or proposal to Members to be determined by a postal ballot. Any postal ballot is to be conducted in the following way:
 - (a) the postal ballot:
 - (i) must be secure, transparent and independent;
 - (ii) must provide for the appointment of a returning officer who is to manage the conduct of the postal ballot in a secure, transparent and independent manner;
 - (b) a reasonable time must be permitted for Members to consider, record and return their vote;
 - (c) if electronic facilities for the postal ballot are to be used:
 - (i) Members who have limited or no access to electronic facilities must not be prejudiced in their ability to be advised of the postal ballot and to consider, record and return their vote; and
 - (ii) accordingly, facilities must be reasonably available for Members to be advised of the postal ballot, and to consider, record and return their vote, otherwise than by the use of electronic facilities;

- (d) if the postal ballot is required to be a secret ballot, it must be conducted so that the vote of each Member can be counted without identifying the Member.

52.2 So long as **Rule 52.1** is complied with, the postal ballot is to be conducted as determined by the Board.

52.3 The Board may determine in a particular case whether the resolution by postal ballot should be a secret ballot and whether votes may be returnable by email or other electronic means or both.

53 POSTAL BALLOT REQUISITIONED BY MEMBERS

53.1 A postal ballot must be held in respect of a Special Resolution where Active Members who together are able to cast at least 20% of the total number of votes able to be cast at a meeting of the Co-operative may requisition the Board to conduct the Special Resolution by postal ballot.

53.2 If a postal ballot is requisitioned by Members under **Rule 53.1**, the requisition should specify whether the postal ballot is to be a secret ballot.

53.3 A postal ballot requisitioned under **Rule 53.1** is to be conducted in accordance with **Rule 52** and in the form and manner determined by the Board.

53.4 The Board may determine in a particular case whether the Special Resolution by postal ballot should be a secret ballot and whether votes may be returnable by email or other electronic means or both.

53.5 If the Board decides to conduct a secret postal ballot, it must ensure that the method used to conduct the ballot will ensure that votes can be counted without identifying the way each Member voted.

53.6 The Board is to appoint a returning officer to conduct the postal ballot. In default of such an appointment, the Secretary is the returning officer.

53.7 Ballot papers (in such form and with such content as the Board may approve) must be sent to all voting Members giving:

- (a) particulars of the business in relation to which the postal ballot is being conducted;
- (b) an explanation of how to lodge a valid vote and the majority required to pass the vote; and
- (c) notice of the closing date and closing time of the postal ballot,

and must be sent to Members so that they arrive (assuming standard delivery times) at least 21 days before the closing date of the postal ballot.

53.8 This **Rule** does not apply in relation to special postal ballots.

54 WHEN A SPECIAL POSTAL BALLOT IS REQUIRED

54.1 A special postal ballot must be conducted for the purpose of passing a Special Resolution in relation to any of the following matters:

- (a) conversion of the Co-operative to a co-operative without share capital or a distributing co-operative;
- (b) a Special Resolution on the requisition of Members;

- (a) by a two thirds majority of Members voting in person or by proxy at a general meeting;
 - (b) by a two thirds majority in a postal ballot (other than a special postal ballot); or

- 89.8 The Co-operative may (acting reasonably) require the Member to construct (at the Member's cost) suitable and adequate Works on the Landholding to store water prior to its discharge into the Drainage system and for the regulation of the Drainage of water into the Drainage system. If the Member does not construct the required Works the Co-operative may construct them or complete their construction in accordance with **Rule 91**.
- 89.9 The Co-operative may give reasonable directions to the Member from time to time to store water from the Landholding in the Works. The Member must comply with these directions.
- 89.10 The Co-operative may permit the Member to discharge water into the Drainage system where the Member is otherwise not permitted to do so. If upon presentation the Member's cheque is not honoured for any reason the Co-operative may require the Member to pay, and the Member must pay, the Contribution owing and any additional fee as the Co-operative may reasonably determine from time to time.
- 90.8 All unpaid amounts owing to the Co-operative will bear interest, as determined by the Co-operative from time to time calculated in accordance with the prescribed rate pursuant to section 356 of the Water Management Act, from the due date until paid by the Member. Interest will be calculated and accrued on a daily basis and be levied monthly commencing on the due date until the date of payment by the Member.

91.9 A Member will not construct, use or manage a Private Work that has not been approved by the Co-operative.

92 MEASUREMENT OF WATER USAGE

- 92.1 The supply of water by the Co-operative to any Landholding will be measured by a Meter except where the Co-operative has given prior written approval for measurement other than by a Meter.
- 92.2 The quantity of water supplied by the Co-operative as measured by a Meter will be taken to be the quantity of water actually supplied unless the Member can establish, to the satisfaction of the Co-operative, that a materially different quantity was supplied.
- 92.3 The Co-operative may determine (acting reasonably) the quantity of Unmeasured Water using any means it considers fit. The Co-operative's estimate of the quantity of water supplied will be taken to be the actual quantity of water supplied to the Member unless the Member appeals under **Rule 92.4**.
- 92.4 The Co-operative must give to the Member notice of its determination of the volume of Unmeasured Water. The Member has the right to appeal the Co-operative's decision by giving notice of the appeal to the Co-operative (setting out particulars of, reasons for and information in support of, the Member's appeal) within 14 days after the notice of the Co-operative's determination is given to the Member. If the Member gives the Co-operative notice of an appeal in accordance with this **Rule**, the Co-operative must:
- (a) examine and give due and proper consideration to the particulars, reasons and information set out in the notice of the appeal; and
 - (b) make a determination regarding the Member's appeal within 28 days after receipt of the notice of the appeal and give the Member notice of the determination, including reasons.

- 92.7 Any Meter installed on the Landholding is the property of the Co-operative irrespective of who installs the Meter.
- 92.8 The Co-operative will from time to time and at such intervals as it determines, take readings, or require the Member to take and record readings on behalf of the Co-operative, from any Meter for the purposes of calculating Contributions or for such other purposes as the Co-operative thinks fit.
- 92.9 The Member must take all reasonable steps to ensure the safekeeping of each Meter installed on the Landholding. The Member must keep each Meter in a location which allows unfettered access by the Co-operative to the Meter and, upon request, return each Meter to the Co-operative where the water supply is discontinued or the Meter is otherwise no longer required.
- 92.10 The Member must not alter or remove, or allow the alteration or removal of, a Meter or other apparatus for the measurement, conveyance, reception or storage of water and Drainage without the prior written consent of the Co-operative.

93 DEFAULT

93.1 The Member must:

- (a) comply at all times with the provisions of these Water Supply Rules;
- (b) at all times observe the provisions of the Law;
- (c) not do anything (or allow anything to be done) in relation to the Landholding or the Member's Water Entitlements, the doing or omission of which may result in a breach by the Co-operative of any of the Licences, or may render any of the Licences liable to suspension or cancellation; and
- (d) at all times comply (or procure compliance) with all environmental protocols, best management practices, cropping regimes and other catchment management policies from time to time implemented or adopted in respect of the Landholding;

and the Member will be in default of these Water Supply Rules if the Member contravenes any of these obligations.

93.2 Subject to **Rule 93.7**, where a Member is in default the Co-operative may by written demand require the default to be remedied. If the default by the Member continues for 30 days after the written demand, the Co-operative is entitled to take any action reasonably necessary to remedy the default on behalf of the Member. All costs incurred by the Co-operative in remedying the default may be charged to the Member.

93.3 Subject to **Rule 93.7**, if:

- (a) the Member repeatedly defaults or the default involves a material breach of these Water Supply Rules; or
- (b) any default of the Member is so severe or prolonged that the Co-operative forms the view (on reasonable grounds) that the default may cause or substantially contribute to a breach of the Licences (or any of them), the Law or any legal right or entitlement of a third party;

the Co-operative may do any, some or all of the following:

- (c) impose a fine on the Member in accordance with **Rule 135**;
- (d) immediately by giving notice to the Member, suspend all or part of the Member's water supply, until the default is remedied, without any obligation to make up any delay or shortfall in supply to the Member once the default is remedied;
- (e) immediately by giving notice to the Member, require the Member to suspend the discharge of Drainage or any substance into the System, until the default is remedied, without any liability for the consequences, including flooding;
- (f) immediately by giving notice to the Member, suspend any determination of, or increase in, or crediting of, Annual Allocation Water, until the default is remedied, without any obligation to make up any delay or shortfall once the default is remedied;
- (g) immediately by giving notice to the Member, suspend the Member's right to use, transfer, terminate, surrender, or otherwise deal with, the Member's Water Entitlements, Available Water or Delivery Entitlements, until the default is remedied, without any liability for the consequences; or
- (h) if the default relates to money due for payment by the Member to the Co-operative, after giving 14 days' notice to the Member:
 - (i) transfer some or all of the Member's Water Entitlements or Available Water and apply the proceeds towards the satisfaction of any money due for payment by the Member to the Co-operative; or

- (ii) cancel some or all of the Member's Water Entitlements or Available Water and apply a reasonable estimate of the value of the cancelled Water Entitlements or Available Water to the money due for payment by the Member to the Co-operative;

and the Co-operative must pay any surplus to the person entitled to it.

The rights of the Co-operative under this **Rule 93.3** are available whether or not the default is capable of being remedied.

93.4 Subject to **Rule 93.7**, if the existing manner of use of the Landholding (including, if relevant, the application of water) is or becomes (by reason of any of the Licences or a variation of any of them) likely, in the reasonable opinion of the Co-operative, whether immediately or over a period of time, to cause a breach of any of the Licences, the Member will not be in default by virtue of such use until:

- (a) the Co-operative has given a written notice to the Member specifying the manner in which the use may result in a breach of the Licences (or any of them) and recommending to the Member alterations to the use of the Landholding to remedy or avoid the breach; and
- (b) the Member has failed to provide to the Co-operative written evidence that the recommendations of the Co-operative are being implemented by the Member, or to provide to the Co-operative a written proposal setting out reasonable (in the opinion of the Co-operative) alternatives to the Co-operative's recommendations in relation to the use of the Landholding, within 60 days after the receipt of the notice referred to in **Rule 93.4(a)**

93.5 If the Member proposes alternatives to the Co-operative's recommendations in accordance with **Rule 93.4(b)**:

- (a) the Co-operative will advise the Member, within 30 days of receiving the written proposal, whether the Member's alternatives are acceptable;
- (b) within a further 30 days the Co-operative and the Member will agree on alternatives to the use of the Landholding and a timetable for their implementation;
- (c) if the implementation does not proceed in accordance with that timetable, or the Co-operative and the Member fail to reach agreement under **Rule 93.5(b)**, the Co-operative may serve a further notice on the Member requiring implementation within 30 days; and
- (d) if at the expiration of the 30 day period the implementation has not proceeded in accordance with that notice the Member will be in default and the Co-operative will be entitled to exercise all of its rights under this **Rule 93.5**.

93.6 The Member will reimburse the Co-operative for any expenses incurred or Loss suffered as a result of a default.

93.7 Nothing in this **Rule 93** will prevent the Co-operative from immediately suspending the supply of water to the Member where the Co-operative, upon becoming aware of a default by the Member, reasonably determines that the default is so severe or its ramifications so serious or immediate (whether for the Co-operative or another person) that immediate suspension is necessary.

93.8 The Co-operative's rights under this **Rule 93** are in addition to any other rights the Co-operative may have at law or in equity.

94 GUARANTEES AND OTHER SECURITIES

94.1 The Co-operative's obligations under these Water Supply Rules are subject to the Member, at its cost, arranging for the provision of such guarantee(s) or

security(ies), or both, (including without limitation third party guarantees) in favour of the Co-operative as the Co-operative may in its sole discretion require.

95 WARRANTY AND LIMITATION OF LIABILITY

- 95.1 Neither party will be liable to the other party under or in respect of the Rules for any Consequential Loss arising from any cause of action (including negligence).
- 95.2 The Co-operative warrants that it will use all reasonable endeavours to operate its business in an efficient and cost-effective manner and to comply with its obligation under each of the Licences in order to maintain and keep current the Licences for each of their respective terms and any renewed term.
- 95.3 Without limitation, no matter or thing done by the Co-operative, or by any person acting under the authority of the Co-operative, will, if that matter or thing was done bona fide under **Rule 80.4**, subject the Co-operative or any such person to any action, liability, claim or demand whatsoever.
- 95.4 To the extent permissible by law, any and all implied warranties or representations by the Co-operative are negated. In particular, and without limitation, the Co-operative gives no warranty as to the quality of, or suitability for any purpose of, any water delivered by it and gives no warranty that any particular volume of water will be available at any time or times unless expressly agreed by the Co-operative in a particular instance.
- 95.5 Notwithstanding any other provision of these Water Supply Rules, the Co-operative will not be liable for any failure or delay in the Co-operative's performance of its obligations under these Water Supply Rules to the extent that such failure or delay is caused or contributed to by, or any Loss suffered is increased as a result of:
- (a) any act or omission by or on behalf of the Co-operative that is for the purpose (directly or indirectly) of compliance with a Licence or any legal requirement; or
 - (b) is caused or contributed to by any event or circumstance beyond the control of the Co-operative.
- 95.6 Subject to **Rule 95.7** and **Rule 95.8**, the maximum aggregate amount that either party may recover from the other party in respect of any Claim, whether in contract, tort (including negligence), statute or any other cause of action, arising out of or in connection with these Rules (including the negotiations for, subject matter of, or breach of the Rules) is an amount equal to the amount of all Contributions paid by the Member under the Rules in the 12-month period immediately preceding the date on which the party receives notice of the Claim.
- 95.7 **Rule 95.6** does not limit the amount that the Co-operative may recover from the Member in respect of any Claim for Contributions.
- 95.8 The Member indemnifies the Co-operative against all Loss incurred by the Co-operative arising directly or indirectly as a result of or in connection with:
- (a) any death or injury to persons, and any loss or damage to the real or personal property of the Co-operative or a third party, caused by any act or omission of the Member; or
 - (b) any negligent or wilful act or omission of the Member,
- except to the extent that any Loss is caused by or contributed to by the Co-operative's negligence or breach of these Rules.
- 95.9 The limitations on the liability of the Co-operative, exclusions of liabilities of the Co-operative and indemnities contained in this **Rule 95** are in addition to any

other limitations on the liability of the Co-operative, exclusions of liability of the Co-operative and indemnities available to the Co-operative by law including:

- (a) the indemnities provided by section 137 of the Water Management Act and section 36 of Schedule 9 of the Water Management; and
- (b) the exclusion of liability under section 397 of the Water Management Act for any act or omission done, or omitted to be done, in good faith for the purpose of executing the Water Management Act.

96 GST

96.1 With the exception of any amount payable under this **Rule 96**, unless otherwise expressly stated all amounts stated to be payable under these Water Supply Rules are exclusive of GST.

96.2 Notwithstanding any other provision of these Water Supply Rules:

- (a) if a GST applies to any supply made by either party under or in connection with these Water Supply Rules; and
- (b) the party making the supply is or will be registered under GST Law at the time the supply is made by that party; and
- (c) a tax invoice (as that term is defined in the GST Law) in connection with the supply has been rendered by the supplier to the recipient of the supply,

the consideration (reduced, if required, in accordance with **Rule 96**) payable or to be provided for that supply will be increased by an amount equal to the GST liability properly incurred by the party making the supply.

96.3 If the imposition of a GST or any subsequent change in the GST Law is accompanied by or undertaken in connection with the abolition of or reduction in any existing taxes, duties or statutory charges (in this **Rule 96** "taxes"), the consideration payable by the recipient of the supply made under this document will be reduced by the actual costs of the party making the supply that are reduced directly or indirectly as a consequence of the abolition of or reduction in taxes.

96.4 The parties agree to meet prior to the imposition of a GST in order to determine in good faith the variation of any consideration in accordance with this Rule 96. In determining the amount of any reductions to the consideration in accordance with this **Rule 96**, the supplier must furnish the recipient of the supply with any relevant information reasonably requested by the supply recipient.

96.5 If this document requires a party to pay, reimburse or contribute to an amount for which the other party has received an invoice from a third party which includes GST, then the relevant amount for payment, contribution or reimbursement will be the GST Exclusive Value (calculated in accordance with the GST Law) of the supply to that other party.

97 MEMBER NOT TO CAUSE A CONTRAVENTION OF THE LICENCES

97.1 The Co-operative must notify the Member from time to time in writing of the Co-operative's obligations under its Licences.

97.2 The Member must not knowingly do or omit to do anything that may cause a contravention of the Licences.
